

# **CS510-066**

## **Code revision and review**

### **Project progress report**

**- Shishir Gururaj**

#### **Progress made so far:**

- Fixed bugs (lag and orderly display) associated with user interface concerning display of list of restaurants.
- Laid groundwork for addition of new restaurant provision.
- Laid groundwork for display of order history provision.
- Laid groundwork for display of contact information.
- Implementation of loading screen animation is almost complete.
- Improved homepage aesthetics.
- Improved code readability and increased legibility.
- Laid groundwork for documentation.

#### **Future work:**

- Complete implementation of addition of new restaurant provision.
- Complete implementation of display of order history provision.
- Complete implementation of display of contact information.
- Further improvement on display of list of restaurants.
- Improve code organization.
- Finish documentation of code.
